Let us pamper you while relaxing in style overlooking the undulating hills of Zululand. Rejuvenate mind, body and soul in this tranquil bush retreat.

On arrival at Rhino Ridge Safari Lodge you will be greeted by a refreshing drink and welcomed by our friendly team who will give you a short orientation of the lodge and its facilities before showing you to your accommodation. After a quick refresh, we will be waiting to serve you high tea on the veranda at the main lodge which offers spectacular views over the entire reserve. Here you will meet your guide who will prepare you for your first safari experience offering some useful pointers about the 'do's and don'ts' of the bush.

By now you will be eager to board your safari vehicle to explore the magnificent hills and valleys of the Hluhluwe iMfolozi Park. At sunset your guide will take you to a special spot to enjoy drinks and snacks where after, you will travel into the night looking for nocturnal creatures like leopards, owls and jackals. When you get back to the lodge you will be given time to freshen up for dinner and then enjoy dinner on the dining deck or in the restaurant. Sit around the fire late into the night discussing the day's sightings and legendary tales of Africa against a backdrop of a million stars.
